## Colorado's Finest Private Pheasant Hunting Preserve

### RMR Weekly E-News

RMR Fans

A couple of quick things:

We are going to be closed this weekend so the gang can take a few days off and go Turkey hunting. We will be back on the tractors on Tuesday May 5th.

#### **ARE YOU A MEMBER??**

#### **GUN SAFETY CLASS--Basic Pistol Course May 18**

We are holding another class at RMR for the Basic Pistol Course. It will be on May 18 and the class will start at 8am. We have room for 12 students and this class will satisfy the requirement for your concealed carry permit. With our new pistol range, we will spend a lot of time on the range so you will need 100 rounds and your handgun. If you want to attend the course, email me or call and we will get you on the list. The cost is still only \$70 per person. You do not need to be a member to attend this so tell your friends and neighbors!

#### **UPDATE ON RUSH LIMBAUGH**

Many of you have asked if the news that went out about Rush Limbaugh supporting the United States Humane Society is real. It absolutely is! Please take the time to write him and tell him that you do not agree with him supporting the radical group of anti's and that you will not support him if he continues to do so. This is very bad for all of us sportsmen and women and we do not need him out there adding money and fodder to their fire for certain.

## **ONE FOR THE ROAD**

A lady walks into the drugstore and asks the pharmacist for some arsenic.

"Ma'am, what do you want with arsenic?" "To kill my husband."

"I can't sell you arsenic to kill a person!"

The lady lays down a photo of a man and a woman in a compromising position.

The man is her husband and the woman is the pharmacist's wife.

He takes the photo, and nods. "I didn't realize you had a prescription!"
