Colorado's Finest Private Pheasant Hunting Preserve

RMR Weekly E-News

[Hello RMR Faithful!](#)

We have still been dodging the hail, but getting the showers and that is a great thing! This past weekend we had a CCW class, and the mosquitoes got about a quart of blood from me, but once I found my bug spray it wasn't bad. It was a very fun class and we plan on doing more this coming season, so if you know someone that needs a safety class so they can get their CCW permit, watch your emails for details on upcoming classes.

I hope some of you got to watch the show they filmed in Argentina on Hunting University this week. It still airs several more times this week on Pursuit and Sportsman Channel. If you go to huntinguniversity.com you can see the times it will air.

I will be out of the office starting Saturday until the first of September, trying to get my Stone Sheep with Russell Cummins in British Columbia. Janna is here and if you want to shoot clays, give her a call and let her know.

If you would like to hunt Doves at the club, you are welcome. It is members only on opening day. We are not doing a trip down south this year, so the club is a good bet if you want to try for some Doves. Depending on how the weather goes, it could be great, or marginal, but right now there are some birds here.

SICK BED UPDATE

Janna, RMR's secretary, brought her mother home from the hospital Monday, after surgery. Her father was moved from ICU to a medical floor yesterday, so she is meeting herself coming and going. Thanks for your thoughts and prayers for her and her family.

CONGRATS

Alex Wagner and his wife Carin welcomed a new baby girl to their household the middle of July! A new hunter in the works!

ROSES ARE RED

Rocky Mountain Sertoma is conducting their annual Rose Sale again. For those of you that missed it last year, don't make the same mistake this year. Unfortunately this is for the Colorado Springs crowd. (Colorado Springs, Woodland Park, Falcon, Calhan, Fountain etc)

Sertoma will be delivering long stemmed red roses **Friday September 17th** to anyone you want to cheer up or just to say thank you too or to get out of hot water, or to bank for the time you are in hot water!

These beautiful roses come in a box and will be delivered on Friday the 17th and are only \$25 per dozen **DELIVERED!!** A card comes with it and we will customize it for you and your message.

The money raised from this fund raiser goes to help speech and hearing disabled folks in the Pikes Peak region.

Many of you have helped this worthy charity out in the past and some of you asked if they would do it other times of the year, but this is the day. Don't miss out on this great opportunity!!

If you would like to buy a few dozen for your wife, friends, clients, secretary, parents, kids, school, church and I am sure you could think of many more ...just call the office and Janna, or I will take your order and you can use your credit card or you can send a check too. You can send them anonymous if you would like too, but it is always nice to have flowers come for no reason at all.

Take a minute to think of a few people you would like to have flowers "make their day" and give us a call at 719-635-3257. This is a good way to help those less fortunate and to gain some brownie points right before hunting season.

NEW VIRUS TO WATCH OUT FOR

This comes from a well respected IT department here in Colorado:

The newest virus circulating is the UPS/FedEx/DHL Delivery Failure.

You will receive an email from UPS/Fed Ex Service along with a packet number. It will say that they were unable to deliver a package sent to you on such-and-such a date. It then asks you to print out the invoice copy attached. **DON'T TRY TO PRINT THIS. IT LAUNCHES THE VIRUS!** Pass this warning on to all your PC operators at work and home. This virus has caused Millions of dollars in damage in the past few days.

HEALTH CARE FUNNIES

TOP TEN INDICATORS THAT YOUR EMPLOYER HAS CHANGED TO THE OBAMA HEALTH CARE PLAN:

- (10) Your annual breast exam is done at Hooters.
- (9) Directions to your doctor's office include "Take a left when you enter the trailer park."
- (8) The tongue depressors taste faintly of Fudge sickles.
- (7) The only proctologist in the plan is "Gus" @ Roto-Rooter.
- (6) The only item listed under Preventive Care Coverage is "an apple a day..."
- (5) Your primary care physician is wearing the pants you gave to Goodwill last month.
- (4) "The patient is responsible for 200% of out-of-network charges," is not a typographical error.
- (3) The only expense covered 100% is "embalming."
- (2) Your Prozac comes in different colors with little M's on them.

AND THE NUMBER ONE SIGN YOU'VE JOINED THE OBAMA HEALTH CARE PLAN:

- (1) You ask for Viagra and they give you a Popsicle stick and Duct Tape.

HEALTH CARE SOLUTION

When you turn 70, you get a gun and 4 bullets. You are allowed to shoot 2 senators and 2 representatives (don't miss!). Of course, you will be sent to prison where you will get 3 meals a day, a roof over your head and all the health care you need!!! New teeth, great!!! Need glasses, no problem. New hip, knee, kidney, lung, heart? Well, bring it on. And who will be paying for all of this. The same government that just told you that you are too old for health care. And, since you are a prisoner, you do not have to pay any income tax.

ONE FOR THE ROAD

A three-year-old had been told several times to get ready for bed. The last time his mom told him, she was every insistent. His response was, "Yes, Sir!" Since he was talking to his mother (and she is a woman), it was not expected of him to call her "Sir".

"You would say, 'yes sir,' to a man, I am a lady, and you would say 'Yes Ma'am,' to a lady," Mom said. To quiz him on his lesson; she then asked him, "What would you say to Daddy?"

"Yes Sir!" was the reply

"Then what would you say to Mama?"

"Yes, Ma'am!" he proudly answered.

"Good boy! Now what would you say to Grandma?"

He lit up and said, "Can I have a cookie?"
