RMR Weekly E-News

Hello RMR Faithful!

I hope that you all had a fantastic Christmas and are looking forward to a better 2010! We had a white Christmas at the club and in spite of the wind on the day after, we had a wonderful weekend and this week is shaping up to be a winner as well. Still snow on the ground and the cover is holding up great and there are lots of birds to shoot.

It has been a fantastic year at RMR and I want to thank each of you for your never ending support and your business in 2009! Several of us were talking at the club this weekend that it is hard to believe that it was 10 years ago that we were all worried about Y-2-K and the change that 2000 would bring.

The changes that we have seen are positive...new members and better hunting. More friends and lots of additions to our family. At RMR we really do have the best members going and we are excited about the New Year. With four more months of hunting to be had, it only gets better!

SANTA DELIVERED THE PUPPY

CHRISTmas morning Kris Kringle delivered the little Golden Retriever puppy to Kaitlyn and to say the least, it was a touching moment. A HUGE thanks goes out to all of you who made the gift a reality and we will follow the progression on her health and the growth of the puppy that she named Moose!

I will put up some pictures on the website under the weekly newsletters tab for you to see. Kaitlyn has Down's Syndrome and Leukemia (her mother left her after she was born and found out she was not like her older sister...what a shame) but Dad is raising the two little girls and Moose now! Thanks for the special help for the special little girl.

GUN SAFETY CLASSES

We are holding two gun safety classes in January. They are on the weekend of January 16 and 17. If you would like to attend the class and eventually get your concealed carry permit, this is the class you need. The cost is \$75 per person and once you have taken the course, you can apply for your CCW in your county that you reside in. There is about 4 hours of class time and the rest we spend on the range, and this is for beginners as well as seasoned shooters. Email us if you would like to attend and we will get you on the list.

CHRISTMAS TREES

Bring your used Christmas tree out with you when you come to hunt! We will put them to good use in the fields.

SERVICE GROUP SHOOT FEBRUARY 6th

Mark your calendar for the 8th Annual Service Group Shootout which will be held on February 6th. This fun event has raised more than \$175,000 in the last 7 years for many charities and this year the three charities are LATIGO, Big Brothers and Big Sisters, and The Pikes Peak Therapeutic Riding Center. You can be a sponsor or you can just hunt, but this is a great way to have a great time hunting and help raise money for some deserving groups. We sent you something in the mail about the shoot, so put a team together and lets have some fun!!

TWO FOR THE ROAD

Looking over the log book kept by the computer support staff at my office, I noticed several entries stating the problem was PICNIC. I asked one of the technicians what PICNIC meant. He laughed as he told me it meant "Problem In Chair, Not In Computer"

+++++

A doctor got a phone call from one of his colleagues. "We need a fourth for poker," the voice on the phone said. "I'll be right over," replied the doctor. As he was putting on his overcoat, his wife asked, "Is it serious?" "Oh yes, quite serious," he said gravely. "They've had to call in three other doctors as well."
