Colorado's Finest Private Pheasant Hunting Preserve

RMR Weekly E-News

Hello RMR Faithful!

We are getting some much needed snow...not a lot, but enough. It is cold for sure, but the hunters are bundled up and shooting a lot of birds.

The snow makes for great hunting, especially if you are dressed warm and have the right boots. It is supposed to warm up by the end of the week, which is perfect!

PUPPY FOR THE LITTLE GIRL

We were able to secure the puppy for the little 6 year old that is dying of Leukemia. Several of our members have contributed \$50 each to make this happen, one member gave a brand new BIG crate, we have dog food, a collar, vet care and some other stuff. What a wonderful thing we are doing for this little Angel....Santa is taking the puppy to her too! Thanks for coming to her bedside to help on this. Watch for pictures.

MILITARY HUNTERS

We have been taking a lot of soldiers out every weekend and will continue to do so. We have had several of our members that have offered to run their dogs with the soldiers and it is working out great. Is this something that you would like to do? It gets your dogs on a lot of birds and the soldiers really appreciate it. RMR Guides take them when a member doesn't, so we are getting them out either way, but if you would like to have some time with these fine folks, and get your dogs on more birds, let me know and we can schedule you to take a group.

We are taking them every Saturday and Sunday, morning and afternoon. They come early and shoot some clay targets get fitted with a Military Appreciation Hat and we give them a cooler and guns and shells and go have fun. The morning hunters eat lunch afterwards and the afternoon hunters eat before they go out as well as shoot some clay birds.

Let me know if you would like to be a part of this great service we are providing to these deserving men and women in uniform. There isn't a lack of willing hunters and we appreciate your help in taking care of them. Many of you have given a hunt or two to the MILITARY HUNTING BANK so these soldiers can hunt for free, as well as a few of you have donated MANY hunts to the bank...they want to stay anonymous, and I only wish they would let me say thank you in public...so to those of you who know who you are...THANKS FROM ALL OF US!!! MS, KS, GH, KM, TT...you are the best!

You just need a good digital picture for this to happen. You can see his website at overtimesportsgraphics.com. These are great...I have several at my house of big game trips I have taken, but dogs, family, sporting events and the like are perfect and very affordable. They will make a super Christmas gift. Take a look and tell Mark you are from RMR to get the deal. Mark can get you these in time for Christmas too! 719-277-7230

VEHICLE GRAPHICS

You have probably seen the RMR trucks with the graphics on the side, tailgate and back window. A big thanks to Josh Cavanaugh and Ken Caryl Glass for doing such a nice job on these. If you need something like this for your business or hobby...give Josh a call and he can help you. (303) 868-8875. They are a moving billboard for sure and it really stands out in a parking lot too!

TWO FOR THE ROAD

A man walks into a restaurant and is shown to his seat by the hostess. The waiter approaches and asks, "Would you like to try our house special?" The man replies, "No, just bring me a steak, and make it lean". The waiter, somewhat puzzled, looks at him and replies, "which way?"

++++++

One day a little girl came home from school, and said to her mother, "Mommy, today in school I was punished for something that I didn't do."

The mother exclaimed, "But that's terrible! I'm going to have a talk with your teacher about this ... by the way, what was it that you didn't do?"

The little girl replied, "My homework."
