Colorado's Finest Private Pheasant Hunting Preserve

RMR Weekly E-News

Hello RMR Fans!

We have been enjoying the wonderful weather that Colorado is famous for...cool mornings and bright sunny days. There is still snow on the ground in the shady spots and they are calling for some light snow showers the end of the week, but until I see it, I won't believe it.

RMR has had a fantastic season so far and we continue to shoot birds daily and we appreciate your business. With the cover the way it is, the birds are doing great and the hunters are having fun trying to fill their limits. You need to remember that when it is dry and with the amount of cover there is, take it slow and let the dogs really work. This is as wild as it gets and it isn't a "gimmee" for sure!! Take your time and enjoy the hunt....it doesn't need to be a foot race.

The 8th Annual Service Group Shootout is a sell out for February 6th, but you can still help by buying a few drawing tickets for the two grocery store certificates. Each ticket is only \$20 (or 6 for \$100) and you have a chance at one of 2-\$500 gift cards to either Safeway or King Soopers. If you would like to help out this great event and are not shooting, call Janna in the office and she can set you up with a few.

Another thing to think about is hunting on Feb 7! After events like this there are a lot of extra birds in the field, so this is a day that you should book to come and hunt! Can I **HINT** any better than this??

There are several opportunities in this week's E-News. I know you can't support them all, but take a look at them and pass them around to your friends and neighbors.

PUT THIS DATE ON YOUR CALENDAR

March 13th is the date for the Colorado Chapter of SCI's annual banquet. For those of you who have not made it in the past, this is one that you don't want to miss! The event raises money for local education, conservation and humanitarian projects and it is loads of fun. Watch your mail for more info, or we will also have this up on our website too. Hunts, guns, trips, gear and lots of other outdoor things for the bidding or winning by just a ticket or two! This is really the best fundraiser/banquet in the state and one that you will want to attend every year! MARCH 13 in Colorado Springs! Plan on it!!

DO YOU SHOOT A HANDGUN??

If you are a handgun shooter and live in Colorado Springs, you know how hard it is to practice...where do you go to shoot? You can always come to RMR and shoot when we are not hunting, and in the summer time that is great, but here is an opportunity you might want to consider.

There is an outstanding indoor shooting range in Colorado Springs (I am a member) and it is called Whistling Pines Gun Club. It is located on the east side of Colorado Springs near Hwy 24 and Constitution (Marksheffel).

Corporate Office

212 W. Buchanan St. • Colorado Springs, Colorado 80907-5106 • 719-635-3257 • Fax 719-630-3329

Bob Holmes, the owner, and I were talking last night and he is willing to give RMR folks a substantial discount just for hunting with us! His normal membership rate is \$350 and if you go in and tell him you hunt with RMR he will give you the membership for \$250. This is a onetime fee and you have monthly dues of about \$28. It is a fantastic place to shoot and you are only as good as the last time you practiced. If you want more information or to see the facility, give Bob or any of the guys a call at Whistling Pines at 719-597-3456. Make sure you tell them you are calling with the RMR gang and he will give you the deal.

NEW MEXICO DEER AND ELK

We are collecting the applications for the drawing for New Mexico Elk and Deer hunts with Trophy Ridge Outfitters and Roger and Audrey McQueen. If you want to participate in the drawing, we need to have your information by March 10. These hunts are guides and you can apply for rifle, archery or muzzleloader hunts. For more detailed information, email or call Brett in the office and he will take care of you. We are also putting together NM Antelope hunts too.

PHEASANTS FOREVER DINNER

The Metro-Denver chapter of Pheasants Forever is holding their dinner on February 20 at the Marriott Hotel in Littleton. Call Rick Cranston for more info at **720.479.3342**

GREAT GIFT IDEA

Several people asked for this information again (it is on our website under newsletters too...go to weekly news and all of our weekly E-News is up there) Again, the reason I didn't send this to you before was so I didn't spoil the surprise for the people I gave them too.

This Christmas I found a great gift idea that I ended up buying for my family and some friends. It is the Hand of Christ and is absolutely stunning. If you want a personalized gift for a friend or family member, take a look at [dottarts dot com](http://dottarts.com) and see for yourself. It is very special. It is a perfect year-round gift.

CATCH A MEMORY

Would you like to take 3 of your friends on an all expense paid fly-fishing trip this summer? How about throwing in \$4000 worth of gear and a private jet to get you to the fishing holes? This is what you can win if you are lucky and buy a few tickets to the Colorado Youth Outdoors drawing! Tickets are only \$20 each and the trip is something that is out of this world and your donation helps keep the CYO program in the high schools in Colorado.

For a \$20 raffle ticket, the winner and three friends will fly to Denver International Airport where they will board a private jet to Wyoming's Medicine Bow Mountains for four days of outdoor activities, including guided fishing on world-class waters, and three nights of first-class hospitality and gourmet dining. Each of the four guests will also receive a \$1,000 shopping spree with an outfitter to ensure they're well prepared to "Catch a Memory."

Proceeds help keep trout populations healthy with Trout Unlimited and bring families together in the great outdoors with Colorado Youth Outdoors. Enter for your chance to win this dream trip! To learn more and purchase tickets, visit [cyoraffles dot com](http://cyoraffles.com). Spread the word!

POKER GAME TO HELP A DYING CHILD

As many of you may know, Griffin Bohan (Mike's son) is currently in the battle of his life. He was recently diagnosed with a brain tumor and is currently undergoing radiation and chemo. We wanted to help the Bohan's create some lasting memories by raising money for a family trip to Hawaii at the end of February when Griff finishes treatments. Griff wants to go whale watching.

What better way to raise money than poker! Suggested buy-in is \$100 (but feel free to donate more or less) and all proceeds will go to The Bohans. We have some sweet prizes lined up as well (A trip to Mexico, a big screen TV, Nuggets tickets, Rockies Club seats, U2 tickets, autographed Miley Cyrus guitar, Spa gift cards, lift tickets and more)

Please RSVP by 2/4/2010. All buy-ins must be made in advance so cash is not exchanged at the event. We are accepting cash or check made out to Kristen Organ. Send checks to:

Kristen Organ
4695 S Monaco Street
Denver, CO 80237

We can take up to 200 poker players, but non-card players are welcome too. The Grizzly Rose will let everyone in for free, so you can show support, listen to live bands and ride the mechanical bull. :)

Griff and family will be there to start the game. See you there!

P.S. Please keep the positive thoughts and prayers coming for Griff!
Fund-raiser will be at the Grizzly Rose in Denver on Feb 12. Call Kristen for more information at 303-713-8321

TWO FOR THE ROAD

A lady walks into the drugstore and asks the pharmacist for some arsenic.

"Ma'am, what do you want with arsenic?" "To kill my husband."

"I can't sell you arsenic to kill a person!"

The lady lays down a photo of a man and a woman in a compromising position.

The man is her husband and the woman is the pharmacist's wife.

He takes the photo, and nods. "I didn't realize you had a prescription!"

+++++

A middle-aged woman had a heart attack and was taken to the hospital. While on the operating table, she had a near death experience.

Seeing God, she asked, "Is my time up?" God said, "No, you have another 43 years, two months and eight days to live." Upon recovery, the woman decided to stay in the hospital and have a face-lift, liposuction and tummy tuck. Since she had so much more time to live, she figured she might as well look even nicer. After her last operation, she was released from the hospital.

While crossing the street on her way home, an ambulance killed her. Arriving in front of God, she demanded, "I thought you said I had another 40 years? Why didn't you pull me out of the path of that ambulance?"

God replied, "Girl, I didn't recognize you"

Are you on Facebook? I have been fighting the trend, but RMR is on Facebook now and if you are on Facebook, go to the Rocky Mountain Roosters page and sign up as a fan. More on this later, but humor me and try it. Tell your hunting friends too.....
