Colorado's Finest Private Pheasant Hunting Preserve

RMR Weekly E-News

Hello RMR Faithful!

The holidays were crazy at RMR and we really enjoyed providing some fantastic hunting for you and your family and friends. It was great to see all of you who were able to take advantage of the superior weather and hunting. The New Year is here and it just gets better as time goes on!

I have two tickets to next weekend's Bronco playoff game that I will sell cheap. What a disappointment, and I really don't even follow football that much! Now we just have to hunt and let those other teams fight it out for the title. LIFE IS GOOD!!

I finally found out what the difference between a hunter and a fisherman is....a hunters lie and wait, fishermen wait and lie.

You can be with all of your buddies this week at the Denver Sports Show at the convention center. Show starts on the 7th and runs through the 10th. We have a booth again so make sure you stop by and see us.

I DON'T GET IT

Can someone tell me why everyone is so upset about complete body scans at airports? I would fly naked if I knew that I wasn't going to get blown out of the sky by a terrorist. As we continue to take the men and women in uniform hunting on weekends via our MILITARY HUNTING BANK, I appreciate them more and more every day. They can only do so much to keep us safe, and we have to do other things to continue to make sure we stop the nuts from coming here to hurt us.

The soldiers really are having a great time and we want to thank the members again for making this possible for them.

RMR MEMBER NEWS

I saw RMR member Christy Boyd (she had surgery in October following a horse accident) at physical therapy yesterday. She is looking great and is working hard on her rehab.

So am I...the knee is getting better and ICE is still my friend!

Member John Farnsworth is getting ready to go to rehab after his shoulder surgery coming up this Friday....keep him in your prayers.

GUN SAFETY CLASSES

We are holding two gun safety classes in January. They are on the weekend of January 16 and 17. If you would like to attend the class and eventually get your concealed carry permit, this is the class you need. The cost is \$75 per person and once you have taken the course, you can apply for your CCW in your county that you reside in. There are about 4 hours of class time and the rest we spend on the range, and this is for beginners as well as seasoned shooters. Email us if you would like to attend and we will get you on the list.

I have a Wirehaired Griffon Female I would like to have bred. She should come into season in late February or early March.

CHRISTMAS TREES

Bring your used Christmas tree out with you when you come to hunt! We will put them to good use in the fields.

SERVICE GROUP SHOOT FEBRUARY 6th

We are taking reservations for the 8th Annual Service Group Shootout which will be held on February 6th. This fun event has raised more than \$175,000 in the last 7 years for many charities and this year the three charities are LATIGO, Big Brothers and Big Sisters, and The Pikes Peak Therapeutic Riding Center. You can be a sponsor or you can just hunt, but this is a great way to have a great time hunting and help raise money for some deserving groups.

We encourage all of you to support this event...come shoot birds and enjoy the fellowship with other members and their friends. This is a fun way to give back to the community. If you need a form, email me and I will forward one to you.

TWO FOR THE ROAD

A Lady went into a bar in Waco and saw a cowboy with his feet propped up on a table. He had the biggest boots she'd ever seen. The woman asked the cowboy if it's true what they say about men with big feet being well endowed.

The cowboy grinned and said, 'Shore is, little lady. Why don't you come on out to the bunkhouse and let me prove it to you?'

The woman wanted to find out for herself, so she spent the night with him. The next morning she handed him a \$100 bill.

Blushing, he said, 'Well, thank ya, ma'am. Ah'm real flattered. Ain't nobody ever paid me fer mah services before.'

'Don't be flattered... Take the money and buy yourself some boots that fit.

+++++++

A kindergarten teacher asked: "What is the shape of the earth?"

After a pause a little girl spoke up: "According to my Daddy...terrible!"
