## Colorado's Finest Private Pheasant Hunting Preserve

### RMR Weekly E-News

Hello RMR Fans!

It has been a hectic few weeks with the Pikes Peak Range Ride and then the Pikes Peak or Bust Rodeo, but all of the cowboys are off to other venues or nursing their wounds! It is a great rodeo and a time that we raise money for military charities here in the Pikes Peak region. Thanks to all of you who came to the rodeo and for those of you who helped with the events.

We continue to get rain at the club and the cover is by far the best we have seen it since we started the club so many years ago. If we dodge the hail, you will have the best hunting you have ever had at RMR!! It is county fair time, so we always expect rain!

All of the fields are planted and we sprayed EVERY field for the nasty sand spur. We know we have made a huge difference in the bad weeds and this should make for a more comfortable hunting season for our four legged friends.

#### **CONGRATS**

Ron and Nora Axton, my uncle (dad's brother) and aunt celebrated their 50<sup>th</sup> Wedding anniversary this past weekend. Ron and Nora helped the club get started with a loan and if it wasn't for them, we all would not have a great place to hunt! Great folks and a super accomplishment. Congrats to them and for helping out when we really needed it!

#### **PRAYERS NEEDED**

RMR member Scott Lang lost his father last week to stomach cancer. It was a fast illness and our prayers are with Scott and his family.

Member Gunner Gilpin's wife Angela was diagnosed with breast cancer and had a double mastectomy yesterday. We have the Gilpin's in our prayers as well, and hope you will too.

We still keep Wes Metzler in our thoughts and prayers as he is going through stem cell replacement in TX. He is doing well and the white cell counts and other indicators are good. We will keep you in the loop on his progress.

#### **GUNS FOR SALE**

I am selling my Browning 525 Sporting Clays 12 gauge, 30" ported barrels with extended choke tube set, interchangeable front sight/triggers with excellent wood. ## **Colorado Attorney General Signs Amicus Brief Supporting Second Amendment Incorporation**

Two-thirds of the nation's attorneys general have filed an amicus brief asking the U.S. Supreme Court to grant *certiorari* in the case of *NRA v. Chicago* and hold that the Second Amendment applies to state and local governments through the Due Process Clause of the Fourteenth Amendment. This bi-partisan group of 33 attorneys general, along with the Attorney General of California in a separate filing with the NRA's position that the Second Amendment protects a fundamental individual right to keep and bear arms, disagreeing with the decision recently issued by a three-judge panel of the U.S. Court of Appeals for the Seventh Circuit. Attorney General Suthers was one of the many who agrees that the Second Amendment is a fundamental individual right and signed the amicus brief. Please call Attorney General Suthers at (303) 866-4500 and thank him for standing up in support of the Second Amendment.

## **DOG NEEDS A GOOD HOME**

Hi Brett

My daughter has learned of a couple that had to move out of their house and into an apartment. They have a one-year old German wire hair pointer they MUST get rid of or get booted out of the apartment.

The dog is a male and has been neutered. It is house-trained. They supposedly have the form for AKC registration, but have never sent it to AKC. The parents have hunting bloodlines.

They are giving this dog away to help get it out of the apartment.

The owner(s) are Stephanie and Jason; the phone number is 1-970-209-0268. (This is a cell phone; they moved from the Western Slope; they live in the Colo Springs area.)

## **TWO FOR THE ROAD**

One day, an employee received an unusually large check. She decided not to say anything about it. The following week, her check was for less than the normal amount, and she confronted her boss. "How come," the supervisor inquired, "you didn't say anything when you were overpaid?"

Unperturbed, the employee replied, "Well, I can overlook one mistake – but not two in a row!"

A juggler, driving to his next performance, is stopped by the police. "What are those machetes doing in your car?" asks the cop.

"I juggle them in my act."

"Oh, yeah? Says the doubtful cop. "Let's see you do it." The juggler gets out and starts tossing and catching the knives. Another man driving by slows down to watch.

"Wow" says the passer-by. "I'm glad I quit drinking. Look at the test they're giving now!"
