Hello RMR Faithful!

I know that most of you are probably in vacation mode but there are a couple things to let you know about before the long weekend or when you get back to your computer.

ONE FOR THE ROAD

A blonde city girl named Amy married a Colorado rancher.

One morning, on his way out to check on the cows, the rancher says to Amy, 'The insemination man is coming over to impregnate one of our cows today, so I drove a nail into the 2 by 4 just above where the cow's stall is in the barn. Please show him where the cow is when he gets here, OK?'

The rancher leaves for the fields. After a while, the artificial insemination man arrives and knocks on the front door.

Amy takes him down to the barn. They walk along the row of cows and when Amy sees the nail, she tells him, 'This is the one right here.'

The man, assuming he is dealing with an air head blonde, asks, 'Tell me little lady, 'cause I'm dying to know; how would YOU know that this is the right cow to be bred?'

'That's simple' she said, 'by the nail that's over its stall,' she very confidently explains.

Laughing rudely at her, the man says, 'and what, pray tell, is the nail for?'

The blonde turns to walk away and says sweetly over her shoulder, 'I guess it's to hang your trousers on.'

Have a super weekend! Don't forget our troops on Memorial Day.

TRAINING BIRDS

RMR trainer Ben Garcia said he has gotten several calls on the training birds for the summer. He will have Pigeons available for training your four legged friends, and all that you need to do to get some is give Ben a call at 303-709-6268. He is also available for training your dog as well if you don't have the time or inclination to do it yourself.

ONE FOR THE ROAD

An elderly man, 82, just returned from the doctors only to find he didn't have long to live. So he summoned the three most important people in his life to tell them of his fate: His Doctor, his Priest, and his Lawyer.

He said, "Well, today I found out I don't have long to live. So, I have summoned you three here, because you are the most important people in my life, and I need to ask a favor. Today, I am going to give each of you an envelope with \$50,000 dollars inside. When I die, I would ask that all three of you throw the money into my grave." After the man passed on, the three people happened to run into each other. The doctor said, "I have to admit I kept \$10,000 dollars of his money. He owed me from lots of medical bills. But, I threw the other \$40,000 in like he requested." The Priest said, "I have to admit also, I kept \$25,000 dollars for the church. It's all going to a good cause. I did, however, throw the other \$25,000 in the grave." Well the Lawyer just couldn't believe what he was hearing! "I am surprised at you two for taking advantage of him like that. I wrote a check for the full amount and threw it all in!
