## Colorado's Finest Private Pheasant Hunting Preserve

### RMR Weekly E-News

Hello RMR Fans!

Just a few things to let you know about....

I will be out of the office from November 6 until the 12<sup>th</sup> so if you need to make reservations the phone will be the way to do it while I am in New Mexico hunting deer. This is my last trip of the year...that I know of right now anyway.

#### **GOOSE AND DUCK HUNTING WITH STILLWATER OUTFITTERS**

One of our long time friends and waterfowl outfitters, Stillwater Outfitters and Travis Reininger, says that the Duck hunting is awesome and the Goose Season is upon us. He normally charges \$250 per gun for the hunts with a 2 gun minimum for Ducks and a 3 gun minimum for Geese. If you call and book a hunt before December 1<sup>st</sup> and tell him you are calling from RMR you can get the hunt for \$50 off. He is doing this for RMR members and their guests only. Make certain you tell him when booking that you are with RMR. You don't have to hunt before December 1, just make the reservation. Call him at 303-659-8665 . The waterfowl hunting will be great this year and you don't want to miss the RMR SPECIAL!!

#### **MEMBER NEWS**

RMR guide Rich Reiley lost his father last week due to a long illness. He was able to see him before he passed away. It went from bad to worse as he and his wife were in a traffic accident on Sunday morning on the way to DIA and he missed the funeral. His wife Nancy broke her arm in the wreck but Rich was OK. Keep the Rieley's in your prayers.

#### **EMAIL NEWS...DO YOU WANT IT??**

You will get an email when I get back asking if you want to receive the weekly E-News and you will need to respond so that we keep you on the email distribution list. We try to clean up our email list annually and if you have anyone that you think would like to get the info, they can ask to be placed on the list, too. There is nothing to do now, but watch for the email asking you to respond to stay on the list.

#### **Rewriting the Bill of Rights**

Make no mistake: Our Founders were onto something when they enshrined the right to keep and bear arms as the Second Amendment to our nation's founding document, the United States Constitution.

Because the Second Amendment is part of our nation's supreme law, attacking gun rights means attacking the very foundation of the country.

The gun grabbers know they have to deal with this supreme law at some point if they're going to push their radical agenda through.

And so they've decided to rewrite the Bill of Rights to best suit their plans.

That's right. In an attempt to circumvent our nation's fundamental law, Barack Obama has rewritten his own version of the Bill of Rights and posted it on the White House website.

According to Obama, "The Second Amendment **gives** citizens the right to bear arms."

I don't know about you, but my right to defend myself comes from my Creator -- not from government, not from some bureaucrat or politician, but from my very nature as a human being.

I'm sure I don't have to tell you that redefining a fundamental right as a privilege is a very dangerous path to start down.

A *right* is inherent in our humanity and can never be taken away.

A *privilege* can be removed at the whim of one's rulers.

But the President's redefinition of our nation's fundamental law isn't enough for some anti-freedom zealots.

Gun grabbers in our government-run education system are now seeking to brainwash your children into accepting their anti-gun agenda -- also by rewriting the Bill of Rights.

Lesson plans in Garland, Texas, (Texas?! Really?!) now teach the Second Amendment by summarizing as follows, "Amendment 2: We can **get permission** to own weapons to protect ourselves."

This couldn't be any further from what the Second Amendment clearly states!

**"The right of the people to keep and bear arms shall not be infringed."**

I want you to call the White House and the Garland Independent School District and demand they restore the original language to the Second Amendment.

Tell them you will not stand for revisionist history or the weakening of our nation's fundamental law. The Founding Fathers wrote it that way for a reason!

## **ONE FOR THE ROAD**

A guy is driving around the back woods of Montana and he sees a sign in front of a broken down shanty-style house: 'Talking Dog For Sale '. He rings the bell and the owner appears and tells him the dog is in the backyard.

The guy goes into the backyard and sees a nice looking Labrador Retriever sitting there.

'You talk?' he asks.

'Yep,' the Lab replies.

After the guy recovers from the shock of hearing a dog talk, he says 'So, what's your story?'

The Lab looks up and says, 'Well, I discovered that I could talk when I was pretty young. I wanted to help the government, so I told the CIA. In no time at all, they had me jetting from country to country, sitting in rooms with spies and world leaders, because no one figured a dog would be eavesdropping. I was one of their most valuable spies for eight years running, but the jetting around really tired me out, and I knew I wasn't getting any younger so I decided to settle down. I signed up for a job at the airport to do some undercover security, wandering near suspicious characters and listening in. I uncovered some incredible dealings and was awarded a batch of medals. I got married, had a mess of puppies, and now I'm just retired.'

The guy is amazed. He goes back in and asks the owner what he wants for the dog.

'Ten dollars,' the owner says.

'Ten dollars? This dog is amazing! Why on earth are you selling him so cheap?'

'Because he's a liar. He never did any of that.'
