### RMR Weekly E-News

Hello RMR Faithful!

I normally don't send more than one email a week, so I don't over load you with good stuff, but there are some things that you need to know today.

#### AMMO

We have been waiting for a long time for a shipment of ammunition and it arrived. I refunded everyone on the backordered stuff, so if you want to take advantage of this shipment.....don't wait. These are super prices and you will not find them cheaper (if you can find them) in the stores.

We received the following today:

All are in 1000 round cases

.357cal 230gr SWC \$306.14

9mm 115gr plated \$239.78

45cal 230gr plated \$323.15

We have a few cases of 40cal, and 45cal NEW BRASS....let me know if you are interested in them...they are a bit more and we only have about 8 cases total.

Email me and I will get your order in. When this is gone, it is gone and I don't know when we will get more.

#### GUN SAFETY CLASS JUNE 19th

Our next gun safety class is scheduled for June 19th. It will start at 8am as usual and we will take you through the basic pistol course. This class is for members, guests and their friends and when you complete the course you can get your concealed carry permit if you chose to do so. The cost is still \$80 and you can email me for more information to register for the class.

#### RMR MEMBER NEWS

Please keep Barb Selvig and Wes Metzler in your prayers as they fight the battle with cancer. Most of you know I believe in the power of prayer!

#### SNAKES AND RABIES

There have been a lot of rattlesnake and rabies reports along the front range....stay vigilant with your dogs and yourself!!

## **TWO FOR THE ROAD**

An avid duck hunter was astonished when his bird dog actually walked on water to retrieve a duck. He was certain that his hunting buddy, an eternal pessimist who refused to be impressed by anyone or anything, would doubt the dog's ability, so he refrained from mentioning the dog's special talent and wanted the friend to see for himself. The two men went to a hunting lake, the men fired and a duck fell. The dog jumped forward and walked across the water to retrieve the bird, never getting more than its paws wet. The pessimist watched carefully, but did not say a word. On the drive home, the hunter finally casually asked his friend, "Did you notice anything unusual about my new dog?" "Sure did," replied the pessimist. "He can't swim."

++++++

An Irishman, a Mexican and a Blonde Guy were doing construction work on scaffolding on the 20th floor of a building.

They were eating lunch and the Irishman said, Corned beef and cabbage! If I get corned beef and cabbage one more time for lunch, I'm going to jump off this building.'

The Mexican opened his lunch box and exclaimed, Burritos again! If I get burritos one more time I'm going to jump off, too.'

The blonde opened his lunch and said, Bologna again! If I get a bologna sandwich one more time, I'm jumping too!

The next day, the Irishman opened his lunch box, saw corned beef and cabbage, and jumped to his death.

The Mexican opened his lunch, saw a burrito, and jumped, too.

*The blonde guy opened his lunch, saw the bologna and jumped to his death as well.*

At the funeral, the Irishman's wife was weeping. She said, 'If I'd known how really tired he was of corned beef and cabbage, I never would have given it to him again!'

The Mexican's wife also wept and said, 'I could have given him tacos or enchiladas! I didn't realize he hated burritos so much.'

Everyone turned and stared at the blonde's wife. The blonde's wife said, 'Don't look at me. The idiot makes his own lunch.'
