## Colorado's Finest Private Pheasant Hunting Preserve

### RMR Weekly E-News

Hello RMR Faithful!

Life is GOOD! That is a phrase that Bryan Dodge uses and I like it! We are getting the machinery ready for the planting and spraying. Things are greening up nicely, but most of you have noticed that we really haven't had much of a spring yet. It has been unseasonably cool and I hope with the cool the rains keep blessing us.

Next Tuesday is our 25<sup>th</sup> Birthday, and if you are a May renewal, don't forget to send in your application so we can put you in for our drawing! We will draw the four winners on June 1<sup>st</sup> and post them on the E-News.

Summer is coming.....don't forget the Pikes Peak or Bust Rodeo in July. The Street Breakfast June 23 and to come and shoot some clays anytime!

If you want to come out and run your dogs and use the ponds, you are more than welcome. This is a great time to use the club for training or just getting out of town.

#### **GUN SAFETY CLASS JUNE 19th**

Our next gun safety class is scheduled for June 19th. It will start at 8am as usual and we will take you through the basic pistol course. This class is for members, guests and their friends and when you complete the course you can get your concealed carry permit if you chose to do so. The cost is still \$80 and you can email me for more information to register for the class.

#### **DOG TRAINING IN JUNE**

RMR dog trainer, Ben Garcia, will be hosting some training classes this summer for puppies and adult dogs at your club. The first class has been set for June 12. He will run puppies in the morning and adult dogs in the afternoon. These classes are fantastic and it gives your four legged friends time in the field over the summer and also gives you things to work on in the off season. Cost is \$20 and covers birds and class. Give him a call to register at 303-709-6268.

#### **OUR 25<sup>th</sup> ANNIVERSARY RMR MEMBER DRAWING**

Now is the time to be a member of RMR for sure! We are celebrating our 25<sup>th</sup> Birthday this year and we are gearing up for a doozy of a year with lots going on.

Anyone that is a current member as of June 1<sup>st</sup> will be entered into a drawing for four prizes. If you are a May renewal, you should have already received your membership application in the mail and it needs to be returned by May 25<sup>th</sup> to get your 2 free hunts and to be entered in the drawing. If you would like to refer someone as a member, and they join, we give you an additional hunt and they are also entered into the drawing.

## **TWO FOR THE ROAD**

An orthopedic surgeon was moving to a new office, with the help of his staff. One of the nurses sat the display skeleton in the front of her car, a bony arm across the back of the seat.

On the drive across town, she stopped at a traffic light, and the stares of the people in the neighboring car compelled her to roll down her window and yell, I'm delivering him to my doctor's office." The other driver leaned out of is window. "I hate to tell you, lady," he said, "but I think it's too late!"

"FATHER OF THE YEAR"

A man boarded a plane with six kids.

After they got settled in their seats, a woman sitting across the aisle from him leaned over to him and asked, "Are all of those kids yours?"

He replied, "No. I work for a condom company. These are customer complaints. "

I WISH I COULD THINK THAT QUICKLY!
